A WORD FROM THE CHAIRMAN

董事長 的話

交通大學特殊的校風與傳承，就是校友們強大的內聚力以及對學校無私的支持。秉持這項傳統，一步一步，交大思源基金會也已經跨過了廿個年頭。

本基金會的資產，除了創辦之初的捐款外，多年來也有校友及熱心夥伴們新增的捐助及積累，在歷屆董事會的指導下，本會贊助並參與許許多多的學校發展計畫及校園活動，與時俱進，兢兢業業，不敢辜負校友及捐贈者的期許。

希望在承先啟後的長流裡，以此平台，凝聚校友的力量，擴展更多的資源，和學校有更積極性的互動，創造更多的價值。

感謝所有交大思源基金會的朋友們，讓我們大家為交通大學繼續共同努力！

NCTU's unique spirit and heritage rest in the powerful cohesion and selfless support of our alumni. Upholding this legacy, Spring Foundation of NCTU has already, step by step, marched into its third decade.

Apart from donations to establish this Foundation, its assets consist of donations accumulated from alumni and earnest partners throughout past years. Guided by each board of directors, this Foundation has sponsored and participated in many university development programs and campus events. The Foundation has been conscientiously and earnestly been advancing with the times and would never have the heart to fail the expectations of its alumni and donors.

We hope it is our legacy left for future years, that with this platform, we can unite together the powers of even more alumni, expand the collection of resources, interact with the university in an even more positive manner, and create more value.

My thanks go to all friends of Spring Foundations of NCTU. Let's stick together and continue our hard work for National Chiao Tung University!

A WORD FROM THE CEO

執行長 的話

「飲水思源」是所有交大人一向秉持的重要價值與觀念，種智有幸銜思源基金會董事會之命，擔任由校友前輩們所共同創立的財團法人交大思源基金會執行長一職，貫徹執行董事會的決議。

在本屆董監事會的集思廣益下，本會訂出未來兩大策略主軸：

1. 支持現任校長張懋中博士之「交大從卓越邁向偉大大學計畫」
2. 「促進校園創業整合計畫」

本會雖囿於人力、財力之限制，及大環境快速變化下之嚴峻挑戰，我們仍基於校友們期盼母校成為國際一流大學之殷切心情，未來將與交大校友總會更緊密合作，善用校友經驗與社會資源，扮演母校最堅實的後盾與夥伴。我們將建立更透明的捐款流向與相關計畫執行成效，珍惜與善用每筆捐款，讓本會成為校友與社會人士支持交大最有效益的平台。期盼大家一齊努力，再創交大發展巔峰！

“Stay grateful” is a major part of the key values and perspective that has always been cherished by every member of National Chiao Tung University. It is my great honor to be appointed to the Chief Executive Officer by the Board of Directors of the Spring Foundation of NCTU, which was founded jointly by our senior alumni, to undertake resolutions of the Board of Directors.

Enlightened by the collective wisdom of the current board of directors and supervisors, this Foundation has formulated two keynote strategies for the future as follows:

1. Support of the *Outstanding NCTU to Become a Great University Program* proposed by Dr. Frank Chang, the incumbent President of NCTU
2. The *Promoting Campus Entrepreneurship Integration Program*

This Foundation, although limited in human and financial resources as well as challenged by the fast changing world, has always sympathized with the alumni's high expectation of seeing our school become an international first-class institute, and therefore will cooperate even more closely with the Association of NCTU Alumni, give full play to alumni's expertise and social resources, and become the strongest supporter and partner of our school. We are going to establish a more transparent and traceable accounting of donation expenditures and the progress on implementation of the relevant programs; we are to treasure and make good use of the entire amount of donations to have this Foundation built into the most effective platform for the alumni and society to support NCTU. Let's stick together to take NCTU to new heights!

成立 緣起

FOUNDING STORY

國立交通大學自 1958 年在新竹復校以來，先後培養了理工、管理、人文等人才達八萬餘人，分佈在產、官、學、研各領域，形成一股龐大校友力量。在各界熱心人士及校友齊心發起，並由殷之浩、施振榮、胡定華、焦佑鈞、簡明仁、葉宏清、陳榮祥、張國華、邱再興、曹興誠等人捐助下，於 1994 年 7 月 23 日獲經濟部核准正式成立。

交大在台復校之首任校長凌鴻勳先生，於博愛校區親手題字並設立「飲水思源」碑，以感念校友們為復校所做的努力與貢獻，從此「飲水思源」遂成了交大人共同的信念，亦是財團法人交大思源基金會之命名由來。

Ever since reopening in Hsinchu in 1958, National Chiao Tung University has cultivated more than 80,000 talented individuals in the fields of science & technology, management and culture, who are now working in a variety of fields covering industry, government, academia and research, constituting an influential force of alumni. The Spring Foundation of NCTU was officially founded on July 23, 1994 upon the approval by the Ministry of Economic Affairs, attributed to the initiation jointly by enthusiasts from all walks of life and alumni, and the donation from Glyn T.H Yin, Stan Shih, Ding-Hua Hu, Yo-Chun Chiao, Ming-Jen Chien, Hung-Ching Yeh, Peter Chen, Kuo-Hua Chang, Andrew Chiu, Robert Tsao.

In appreciation for the endeavor and contribution from alumni in the reopening process of NCTU, Mr. Hung-Hsun Ling, the first principal of NCTU after it was reopened, had autographed and built in Po-Ai Campus a stone tablet with the inscription in Chinese for “Stay Grateful” * – the motto then became a belief shared by everyone in NCTU and hence origin of the name for Spring Foundation of NCTU.

*Note:

It comes from Chinese motto “飲水思源” which literally means “When drinking water from the spring, remember to give thanks for the source” and hence the connotation “When you received a favor, stay grateful”.

MISSION AND VISION

任務 與使命

建立平台，凝聚校友力量挹注給交大，提供母校除了公部門資源外之校友強力後盾。

To establish a platform for alumni to contribute to NCTU, making it another powerful backup force for our school in addition to government resources.

MAJOR PROGRAMS FOR THE YEAR

年度 重要計畫

壹、支持交大從卓越邁向偉大大學

交大身為國內頂尖大學之一，面對瞬息萬變的國際環境與全球大學的競爭，除來自公部門的經費挹注，須有更豐沛的校友力量支援。為協助母校厚植全球競爭優勢，本會推動「支持交大從卓越邁向偉大大學」整合計畫，分別從協助交大延攬國際優秀教授、吸引國內優秀高中畢業生、建置藝文化校園、爭取國際菁英就讀等方向努力。

I. Support of the *Outstanding NCTU to Become a Great University Program*

As one of top universities in Taiwan, NCTU faces a constantly changing world and challenges from rival universities worldwide, hence the need for abundant support from alumni besides government funds. This Foundation initiates the integrated plan *Helping NCTU Transform from an Outstanding to a Great University* to help our school become even more competitive in the world, with efforts made to solicit brilliant global professors, attract excellent international students, absorb outstanding domestic high-school graduates and build up an artistic and culturally rich campus.

一. 延攬國際優秀教授

贊助交大「提升軟實力計畫」，聘任國際大師級教授及青年優秀教授，致力於提升學術研究之國際水準，打造一流的學術研究團隊，提升教學及研究品質。

1. Solicit brilliant global professors

We are to sponsor NCTU's Plan of Enhancing Soft Power, recruit international department chairs and brilliant young teachers in an effort to raise the school's academic research capacity to a world-class level, build first-class research teams, and improve the quality of instruction and research.

二. 吸引國內優秀高中畢業生：舉辦思源科學創意大賽^{plus}

科技浪潮不斷翻轉，典範不斷轉移，未來人才需要具有多元整合的能力。為協助交通大學吸引除成績優異外，另具獨立思考、創意及團隊合作之高中生，本會與交通大學合作舉辦本競賽活動，每年吸引近千位高中學子組隊參賽，運用骨牌連接，融入化學及物理科學知識，設計成創意科學關卡，活動考驗智力、耐心、細心及團隊合作精神以及創意的發揮。並逐步將交大資通訊特色融入比賽，讓比賽內容更加多元豐富。

2. Absorb outstanding domestic high-school graduates: Holding Spring Scientific Creativity Contest^{plus}

Given waves of science and technology advancements and changes in generations of role models, versatility shall be a must to talents in the future. To help NCTU to absorb academically excellent high-school students, who are also good at independent thinking, creativity and teamwork, this Foundation has cooperated with NCTU in hosting this contest, which draws nearly 1,000 high-school teamed up students annually. With domino-game-like knowledge integration of chemistry and physics, the contest is to be played in the manner of scientific creativity objectives to challenge the participant's intelligence quotient, patience, attentiveness, teamwork spirit and creativity. NCTU's characteristic ICT is expected to be integrated in the contest to make it even more rich and diversified.

活動網址 Website of the contest:

三. 建置藝文化校園：交大藝文空間

為使以科技教育為主的交大校園注入藝文氣息，營造兼具人文、科技、藝術的生活環境，本會長期支持交大藝文空間展演活動。在多年努力耕耘下，交大藝文中心於國內大學校園間扮演校園藝文火車頭的角色，表現亮眼突出，深獲好評。

3. Build up an artistic and culturally rich campus: NCTU Arts Center

To flavor a science-and-technology dominated university like NCTU with accents of literature and art and set up a living environment blended with science, technology, literature and art, this Foundation continues to support a variety of art shows and activities. With years of great efforts, the NCTU Arts Center has become a leading player in campus arts across Taiwan, highlighted by its highly regarded performing arts programs.

交大藝文中心網址 Website of NCTU Arts Center:
<https://acc.nctu.edu.tw/>

四. 爭取國際菁英就讀

國際化是世界一流大學指標，因此各國莫不積極爭取國際優秀學生。為因應教育部對大學國際化要求之政策，交大除建置國際化校園提供外籍生優質的學習環境，並努力赴各國宣傳吸引國際菁英來台就學。本會除挹注經費協助，並扮演交大國際生與校友企業的平台，協助媒合有國際化人才需求的企業。

4. Attract excellent international students

Global integration is one of key metrics of an international first-class university, whereby each country strives to attract excellent students from all over the world. To respond to the Ministry of Education policy requiring global integration of universities, NCTU has not only constructed its international campus to offer foreign students quality learning space, but also proactively visited countries to promote Taiwan as a study destination to attract top international talents. This Foundation offers financial support for purpose of expenditures, renders a platform for NCTU international students and alumni enterprises, and serves as a bridge between international talents and companies in need.

貳、促進校園創業整合計畫

延續交大學長們數十年來創業精神，且身為教育部創新創業中心示範學校之一，交大在推動校園創業一向不遺餘力，致力打造校園友善創業環境。本會也同時啟動「促進校園創業 - 思源創新創業整合計畫」，由校友幫助校園創業團隊或未來有志創業之學生迎向夢想，一代幫一代產生正向循環，引發化學效應，促進校園研究成果商業化發展。

II. The Promoting Campus Entrepreneurship Integrated Program

As a model school in creative entrepreneurship designated by the Ministry of Education, NCTU has never spared efforts in promoting start-up businesses on campus by offering favorable conditions for start-up businesses, allowing the entrepreneurship to be passed on for several decades. By initiating the *Promoting Campus Entrepreneurship Integrated Program*, this Foundation allows NCTU alumni to assist campus entrepreneurship teams or students aspiring in starting up a business to fulfill their dreams. With the support being passing on from the older to the younger like a chemical reaction under positive influence, the campus is expected to see research results translated into business development.

一. 校園創業種子基金

有鑑於校園創業團隊多半為學生，在創業過程最初始艱困階段，不易獲得企業與創投青睞，而失去將創意或技術商品化的機會，本會集結熱心校友募集資金，設立本種子基金，給予校園創業團隊支持，期望未來能產生更多的交大企業家。獲補助且創業有成的團隊，要回饋給種子基金，藉此建立良性循環，落實飲水思源精神。

1. Campus Entrepreneurship Seed Fund

Considering the fact that most of the start-up businesses on campus are formed by students who are less likely to be viewed positively by corporations or venture capital at the early stages and therefore would possibly lose the chance to commercialize their own innovation or new technology, this Foundation worked to found the Seed Fund with funds collected from enthusiastic alumni. It offers support to business start-up teams in the expectation of more NCTU-based entrepreneurs in the future. Those supported and successful teams are required to reward the Seed Fund, in a bid to “pay it forward” and practice the spirit of “stay grateful.”

二. 創業與創新學程

本學程是一個跨學院、跨產學，未來甚至是跨國界整合性的創業創新平台。本會藉由協助此一平台的建立，讓很多參與的人皆能產生價值，彼此均能受益。學生可以從這些參與的業界專家、老師，從它的活動瞭解創業創新的流程跟機制，同時也可以建立個人的人脈。

2. Venture Innovation Program (VIP)

This program is a cross-college, cross-industry and academia and even, in the future, a cross-border integrated platform of venture innovation. This Foundation has built up this platform to let every participant create values and achieve benefits for all involved. Students are expected to learn the process and mechanism of innovation venture from related activities and from participating industry experts and teachers, all while expanding their personal social network.

交大 VIP 學程網址 Website of NCTU VIP:
<http://vip.nctu.edu.tw/>

三. 交大創業 Eco-system 推廣計畫

交大產學運籌中心所擘劃建立之整合計畫，提供園地來培養學生開擴更多創新思考的機會，結交更多國際人士、學生及創新專家。並鼓勵學生組成社團，如創新創業社及社會企業創思社。並提供社員進階知識學習、創業人脈拓展、創業經驗交流之機會，以提升交大學生的「創新能力」與「創業精神」。

3. NCTU Venture Eco-system Promotion Program

This integrated program, which was proposed and formulated by the Center for Academia and Industry Collaboration, offers a field with more opportunities for students to innovate their thinking and make friends with more foreign people, students and innovation experts. It encourages students to form clubs, such as NCTU-IEC and NCTU Strong Chance, and offers opportunities to the members for enjoying advanced knowledge, expanding social connections and exchanging venture experiences, in a bid to improve “ability for innovation” and “spirit of entrepreneurship” among NCTU students.

<http://www.yeserprogram.net/>

四. 協助學校研究中心

本會未來將選定交大具潛力與優勢競爭的中心，作為支持的對象，協助促進產學合作、技轉或成立新創公司。

4. Offering assistance to NCTU research centers

This Foundation is, in the future, to select promising centers with competitive edges within NCTU as its target for support, and assist these centers in promoting academia-industry collaboration, technology transfer and company spin off.
